It's a mistake! I haven't done anything!

Its probably Koibana's fault!!
What's worse is that I was seen by Akiyama!

And their family once had a stalker....
Rurika's father left when her mum gave birth to a girl
I'll ask for your help when I need it.
Well she seems a bit better
AH.. MY HELP ?
Apparently her sister is getting married
and she has never talked to her husband.
Her sister left me in charge of her....
To get over her fear she's working at Koibana.

Anyway, he's a good guy.
Don't worry, he has a special bond with Nonoka.

Akiyama won't let us down!
I think so too
For Rurika to get used to men
I thought it would best if she slept with him.
Sorry, Nonoka...
Akiyama's really gentle!
Sometimes I wish he accepted my invitations...
